**SUBJECT: Conversation With William Woodruff Regarding the
Director's 19 May Appearance Before Senate
Appropriations Subcommittee**

1. Today I talked to William Woodruff, Counsel, Senate Appropriations Committee, regarding plans for our upcoming 19 May appearance before our Appropriations Subcommittee. Woodruff said:

a. We should be prepared for questions regarding Cambodia.

b. The Subcommittee will be interested in the Director's role in the community and the control he exercises over the community in terms of the money it spends.

c. We should check the headlines just before our appearance for last minute developments that are likely to stimulate questions.

2. Woodruff suggested that Mr. Duckett be present to handle questions on R&D contracts.

3. Woodruff said he will do what he can to keep things on the track and make sure we cover our budget adequately. He expects the session to run about 2 1/2 hours.

4. Woodruff commented that in talking today to Senator Russell he told Russell that "the Agency was broke and Dick needed help."
